12. If any candidate is prevented by sickness or any other adequate cause from attending the Final Examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a Special Examination. The appropriate authorities are:—

Oxford	.. The Indian Civil Service College.

London	.. The Director of the School of Oriental Studies.
Trinity College, Dublin.	The Registrar of the Indian and Home Civil Service School.

(3) An allowance of £200 a year, or, in the case of Selected Candidates possessing an Indian degree, an allowance of £250 a year will be given to any candidate who passes his probation at one of the Universities or other institutions that have been approved for the purpose by the Secretary of State for India in Council.

In the case of Selected Candidates on probation for one year the allowance will be payable in two equal instalments, the first after the agreement prescribed in Appendixment (iv) has been executed, the second, third and fourth on December 25th, March 25th and June 25th, respectively, and the 5th after signature of Contract or appointment to the Service.

In the case of Selected Candidates on probation for two years, the allowance will be payable in four approximately equal instalments, the first on September 25th or as soon thereafter as the agreement has been executed, the second on December 25th, the third on the 25th of quarterly intervals from that date, and the fourth after signature of Contract or appointment to the Service.

Each Selected Candidate should intimate to the Secretary to the High Commissioner for India, Education Department, the address to which it is desired that the first instalment should be sent.

The payment of the various instalments of the allowance except the first instalment and the final instalment, and, in the case of the two-year probationers, the instalment payable at the end of the first year of probation, will be reckoned as the receipt by High Commissioner for India, through the authorities of the approved institution, of a certificate that the candidate had fulfilled up to date the requirements of the curriculum and shown satisfactory progress.

If an Indian Government Scholar becomes a Selected Candidate for the Indian Civil Service, his scholarship payment shall cease to be paid with effect from the 1st October of the year in which he becomes a Selected Candidate.

The whole publication must critically be passed on the same indication. Migration will not be permitted except for special reasons approved by the Secretary of State.

B.A.—The Secretary of State for India gives notice that the award of the scholarships will be reconsidered in 1935, with a view to a possible extension with effect from the first scheduled payment to candidates admitted in that year.

(i) Each candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one merely jointly and severally to refund all moneys he may have received from the Secretary of State for India in the event of—

(1) his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or

(2) his subsequent failure to execute the usual agreement, and to proceed to India, as and when he shall be directed by the Secretary of State for India.

(iv) All candidates obtaining Certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force they may be required to make for the payment of their tuition. The stamps payable on these covenants amount to £1.

(vi) A First Class passage to India will be engaged for Selected Candidates with a view to their proceeding to India after they have signed their covenants.

Selected candidates who desire to make their own arrangements for proceeding to India must first satisfy the High Commissioner for India that they have good reasons for wishing to do so and that the arrangements which they propose to make are suitable. They will then, on production to the High Commissioner for India of evidence that they have engaged a passage, be granted an allowance not exceeding £500 or the actual cost of the passage by the route selected, whichever is less.

(vii) Candidates appointed to the Indian Civil Service after undergoing one year's probation will be retained in those appointed. In the same year after undergoing two years' probation. The security of candidates of such class entered will be determined by the order in which their names appear on the list referred to in clause (13) of the regulations.

(viii) A candidate who fails to satisfy the Civil Service Commissioners at the Final Examination held in the year will be definitely rejected unless the Secretary of State in Council shall, after reference to the Civil Service Commissioners, allow him to sit for re-examination in the subjects or subjects in which he failed. In general a candidate who is allowed re-examination will be required to fulfil the whole or part of the final instrument of his allowance, but if it appears to the Secretary of State in Council, after reference to the Civil Service Commissioners, that his failure to pass the examination was due to circumstances wholly exceptional and beyond his control, such refund of his allowance will not be required.

(ix) "Overseas pay" will not be admissible to Indian members of the Indian Civil Service assigned to Overseas Competitive Examinations held in London in 1935 and subsequent years.
